

13 August 1952

Your letter dated 30 July 1952, with your application papers, has been received by this Agency and the Director has been notified.

As soon as a careful review has been made of your statement of education, training and experience, we shall communicate with you. Normally this review requires a few weeks but every effort will be made to reach a decision as early as possible. If you have any questions, please feel perfectly free to get in touch with us.

Very truly yours,

Chief, Personnel Procurement
